THE *FUTURE PROOF* ROOF

metrotile
LIGHTWEIGHT ROOFING

Metrotile **ROMAN**

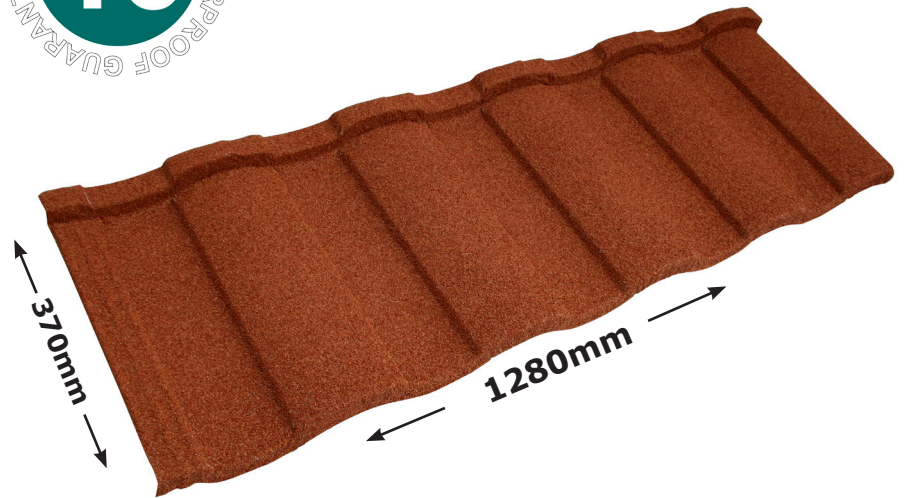

The classic **ROMAN** design, suitable for most roofing applications

Metrotile ROMAN

The elegant double Roman tile is a truly classic design, now available with all of the benefits that only Metrotile Lightweight Steel Roofing systems can offer.

The beautiful contoured design of each Metrotile Roman tile will compliment any roofing project perfectly, offering an aesthetic that manages to be simultaneously classical and contemporary in style, while offering all of the quality and protection our many of worldwide customers have come to expect. Metrotile Roman delivers the perfect balance of traditional aesthetics and contemporary performance, while requiring virtually zero maintenance and offering unsurpassed protection from vandalism and the elements.
